Sensory-friendly times at our hotel are designated exclusively for children who are **Neurodivergent**, in order to provide a supportive and accommodating environment tailored to their specific needs.

These sessions are carefully designed to minimize sensory input and ensure a calm, predictable atmosphere. To maintain the integrity of this space and ensure an optimal experience for all participants, **Advance booking is essential.**

Please book through Club Vitae Leisure Centre.

We kindly request that only families with neurodivergent children make reservations for these sessions.
